

NEW & IMPROVED

RUGGED HEADPHONE

This new and improved headphone is **BUILT TO LAST**. We have done a complete overhaul on the internal & external design, resulting in a truly rugged headset. Premium features like reinforced welds, multi-layered construction, and lock-down cable assembly make this an indestructible piece far exceeding its price point.

KEY FEATURES

CONTACT FOR PRICE

TWIST-ABLE HEADBAND

Strong flexible headband.
Highly resistant to breaks.

KNOTTED CORD

Cords are knotted at all connection points. They cannot pull out!

HEAT WELDED PLUG

Works with phones, tablets, computers, & more.

4-POINT LOCKING CONSTRUCTION

Built to last with reinforced locking construction in all joints!

IMPROVED PADS

Redesigned soft-touch pads are glued and locked into place.

DURABLE BRAIDED CORD

Ultra durable cord. Knotted at all joints. No frayed wires!

WIPE CLEAN (HYGIENIC)

No open holes or cracks.
Easy to keep sanitary.

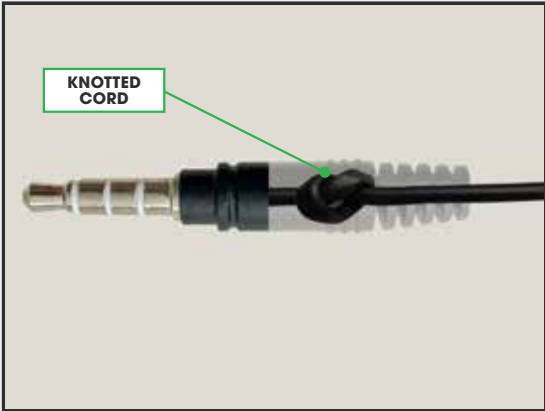

VOLUME CONTROL + MIC

In-line sliding volume control + hands-free microphone.

IMPROVED CORD DESIGN

CONTACT FOR PRICE

KNOTTED CORD

Cord is knotted at contact points. Prevents any loose wires and offers ultimate stability.

LOCK-DOWN CABLE ASSEMBLY

Re-engineered to give an additional layer of protection to internal circuitry.

OTHERS

BRAIDED "CHEW PROOF" CORD

Ultra durable braided cord is built to last. The thick tangle-free cord maintains flexibility.

GLUE IN ALL CONTACT POINTS

Reinforced glue welds at all contact points. Provides ultimate protection for everyday use.

REINFORCED CONSTRUCTION

CONTACT FOR PRICE

4-POINT LAYERED CONSTRUCTION

Glued tight and locked into place with a 4-point layered connection.

LOCKABLE GLUED/REINFORCED

Welded joint points & knotted attachment ensure the cord can not pull out!

HEAT WELDED JOINTS/EXTRA SOLDER

Every joint, crevice, and connection is over-soldered/glued for outstanding durability.

NO OPEN HOLES OR CRACKS

Closed construction is more hygienic. Easy to clean and no access to internals.

REINFORCED LAYERED CONSTRUCTION

IMPROVED EARPADS

CONTACT FOR PRICE

DOUBLE LAYERED ATTACHMENT

New double layered attachment system firmly secures earpads to headset.

GLUED & INDESTRUCTIBLE

Glued and locked into place. The pads are virtually indestructible.

OTHERS

SOFT-TOUCH EARPADS

Redesigned earpads are optimized for comfort, durability, and noise isolation.

EASY WIPE DOWN. HYGIENIC/SANITARY

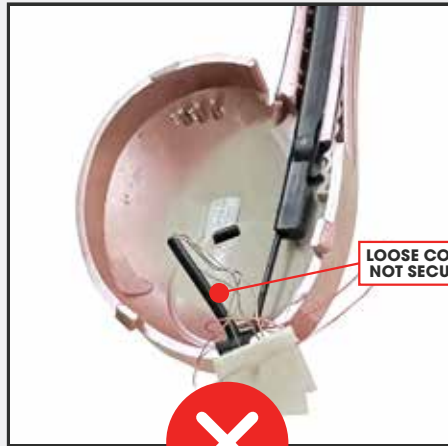

Completely closed design offers a sanitary experience against everyday abuse.
